Under Bankruptcy Rule 2004

The Committee of Unsecured Creditors of the Commonwealth of Puerto Rico (the “UCC”) requests the following documents from Whitefish Energy Holdings LLC.

Instructions:

1. Documents shall be produced as soon as practicable, and no later than ten days from the date of receipt, at Paul Hastings LLP, 200 Park Avenue, New York, NY 10166.
2. All Documents shall be produced in a form to be mutually agreed between You and the UCC. The UCC requests production in a form consistent with the specifications attached as Exhibit A.
3. Each Document request must be responded to separately and specifically. Each Document request shall be answered fully unless it is in good faith objected to, in which event the reason for Your objection shall be stated in detail, as set forth below. If an objection pertains only to a portion of a request, or a word, phrase or clause contained within it, You are required to state Your objection to that portion only and to respond to the remainder of the Document requests.
4. The Documents that You produce must be organized and labeled to correspond with a particular Document request.
5. Each Document request operates and should be construed independently and, unless otherwise indicated, no Document request limits the scope of any other Document request.
6. All Documents are to be produced as kept in the usual course of business or are to be organized and labeled to correspond with the categories in these Document requests. The method of production of each category is to be identified at the time of production.
7. Each Document request contained herein extends to all Documents: (a) in Your possession, custody, or control; or (b) in the possession, custody, or control of anyone acting on Your behalf, including Your counsel. A Document is to be deemed in Your possession, custody or control if: (a) it is in Your physical custody; or (b) it is in the physical custody of any other Person and You— (i) own such Document in whole or in part, (ii) have a right, by contract, statute or otherwise, to use, inspect, examine or copy such Document on any terms, (iii) have an understanding, express or implied, that You may use, inspect, examine, or copy such Document on any terms, or (iv) have, as a practical matter, been able to use, inspect, examine or copy such Document when You sought to do so. Each Document shall be produced in its entirety.
8. If You are requested to produce a Document that is no longer in Your possession, custody, or control, then Your response must state: (a) whether such Document— (i) is missing or lost, (ii) has been destroyed, (iii) has been transferred, voluntarily or involuntarily, to others, or (iv) was otherwise disposed of; (b) the reason for, and the facts and circumstances surrounding, such disposition; (c) the Persons who authorized such disposition; (d) the date

or approximate date of such disposition; (e) when the Document was most recently in Your possession, custody or control; and (f) the identity of the Person, if any, presently in possession, custody, or control of such Document.

9. If You are requested to produce a Document that has been destroyed, then Your response must state, in addition to the information required by the preceding Instruction: (a) the reason for the Document's destruction; (b) the identity of the Person who destroyed the Document; and (c) the identity of the Person who directed that the Document be destroyed.
10. If You claim that a requested Document is privileged or attorney work-product, then Your response must: (a) state— (i) a description of the Document that You would consider adequate to support Your contention that the Document is privileged, (ii) the title of the Document, (iii) the date of the Document, (iv) the author of the Document, (v) the addressee of the Document, (vi) the identity of each Person who received or saw the original or any draft, copy, or reproduction of the Document, (vii) whether the Document itself, or any information contained or referred to in the Document is in the possession, custody, or control of any other Persons, and if so, the identity of such Persons, as well as a statement addressing how the information came into their possession, (viii) the claim of privilege under which the Document is withheld, and (ix) all of the circumstances upon which You will rely to support such claim of privilege; and (b) produce a privilege log containing all of the information requested in Part (a) of this Instruction for each Document withheld on the basis of a claim of privilege. If a portion of an otherwise responsive Document contains information subject to a claim of privilege, only that portion of the Document subject to the claim of privilege shall be deleted or redacted from the Document following the instructions above, and the rest shall be produced.
11. If You cannot provide a requested Document (after exercising due diligence to secure it) that was formerly in Your possession, custody, or control, then: (a) Your response must— (i) describe in detail the nature of the document and its contents, identify the person(s) who prepare or authored the Document (and, if applicable, the Person(s) to whom the Document was sent), and the date of which the document was prepared or transmitted, (ii) state that You cannot produce the requested Document, (iii) specify the reasons for Your inability to produce the requested Document (e.g., lost, destroyed or otherwise disposed of), (iv) declare that You have exercised due diligence to secure the requested Document, and (v) state all information or knowledge that You have concerning the requested Documents; and (b) You must produce all other requested Documents.
12. The Document requests are continuing in nature. You are hereby instructed to (a) supplement or correct any responses later learned to be incomplete or incorrect immediately upon learning that a prior response was incomplete or incorrect; and (b) produce any additional Documents that are called for under the Document requests.
